Brand design for Louielinks

05/2023 - 08/2024
Cleveland, OH

For LouieLinks, a multifaceted company with logistics and clothing brands, I designed logos for both divisions, establishing a distinct identity for each. My primary focus was on the Louie Links clothing brand, where I created numerous custom clothing designs, ensuring each was meticulously formatted for printing. These designs reflect the brand's vision and were crafted with precision to meet production requirements, enhancing the brand's appeal in the fashion industry. Also edited various content videos for the brand other to integrate the brand visibility and audience engagement in other words to increase business growth and gross income.

Brand design for Uvise (Gidipulse)

09/2023 - Present
Lagos, Nigeria

As the Creative Designer for Uvise, I developed a captivating brand identity for Gidi Pulse, a clothing brand. I designed a striking logo that not only tells the brand's story but also integrates advanced branding elements. The use of motion graphics and handwritten signature text added a refined, aesthetic touch, enhancing the brand's modern and distinctive appeal. This innovative approach ensures Gidi Pulse stands out and resonates with its target audience in the fashion world.
